# **BFO Patrons Information**

#### (1) Introduction

The Budapest Festival Orchestra Foundation has set up a club for its patrons (hereinafter "BFO Patrons") to offer fans of classical music and donors a unique musical and community-building experience. BFO Patrons is open to individuals of majority age who are committed to supporting BFO.

### (2) Details of the BFO Patrons operator:

Company name: Budapest Festival Orchestra Foundation (hereinafter "BFO")

Registered office: H-1034 Budapest, Selmeci u. 14-16.

Tax number: 18005488-2-41 Email: tamogatoiklub@bfz.hu Telephone: +36 1 882 7671

#### (3) How BFO Patrons works

BFO Patrons was established for an indefinite period of time. BFO established BFO Patrons for the key purpose of working as a foundation and, according to this, the benefits listed in Section (4) are not automatically granted. BFO may at any time and with justification update, amend, limit or even fully terminate the BFO Patrons system. You as a member, of course, have the right to cancel your membership at any time. The cancellation of the membership will be registered within 30 calendar days from the receipt of your cancellation request, and you will be notified of such registration. Due to circumstances beyond BFO's control, the full range of club membership benefits may not be available; for example, at some performances or even during some concert seasons (for example, in a pandemic situation). Your membership in BFO Patrons may terminate if you do not pay the amount of donation payable for the given year before the March 15 of that year.

### (4) BFO Patrons benefits and levels

Your membership of BFO Patrons gives you the right to enjoy some unique classical musical and community experiences. To give you a short description of the system, the following can be said about it:

- members can visit special musical and community events offered for their membership level,
- the last three newsletters for patrons become accessible to them on the online platform,
- membership renewal is simple,
- additional benefits and discounts are available to members in the BFO online store (see the GTCC here) and
- members' data are directly processed in the customer relations application

Please see the table below for the full list of benefits available on the different membership levels:
